Wise AI secures eight-figure funding

KUALA LUMPUR: Artificial intelligence company Wise AI has closed its Series A funding round, which secured an eight-figure undisclosed amount. The funding round was led by Malaysia Technology Development Corporation, VentureTech SBI Sdn Bhd and Sunway Group Bhd’s Sun SEA Capital, which will empower Wise AI to create digital identities for 680 million people in Southeast Asia. Wise AI founder and chief executive officer David Lim said the company intends to localise its offerings.
